1. PROJECT OVERVIEW

A.S. Builders LLC is pleased to submit this proposal for parking lot striping services at the above-referenced property. As Houston's premier commercial concrete contractor, our team delivers clean, precise, and highly visible striping that improves parking organization, traffic flow, site safety, and the overall appearance of the property.

With over 20 years of experience and a 100+ person in-house crew, we bring reliable execution, efficient timelines, and consistent quality to every project.

2. SCOPE OF WORK

A.S. Builders will furnish all labor, equipment, supervision, and materials necessary to complete the following:

- **Mobilization** — Crew and striping equipment to the project site
- **Surface Preparation** — Removal of loose dirt and debris as needed for proper paint adhesion
- **Standard Parking Stalls** — Re-striping of designated parking areas in accordance with the existing layout
- **ADA-Accessible Spaces** — Striping of ADA-accessible parking spaces and associated markings, where applicable
- **Directional Arrows** — Painting of directional arrows and other traffic control markings
- **Fire Lane Markings** — Painting of fire lane curb and surface markings
- **Stenciled Markings** — Application of stenciled pavement markings as noted
- **Yellow Curb Markings** — Painting of yellow curb markings where indicated
- **Site Clean-up** — Clean-up of work area upon completion

All striping will be completed using professional-grade traffic marking paint suitable for parking lot applications.

5. PROJECT CONDITIONS

- Work will be coordinated with property management to minimize disruption to tenants, customers, residents, and daily operations.
- Areas to be striped must be reasonably accessible and free of parked vehicles at the scheduled time of service.
- Work is subject to suitable weather and pavement conditions.
- Existing site layout will be followed unless revisions are requested in writing.
- Proposal pricing assumes the pavement surface is in acceptable condition for striping and does not require extensive cleaning, grinding, or surface correction.

6. EXCLUSIONS

Unless specifically included in this proposal, the following are excluded:

- Asphalt or concrete repairs
- Sealcoating
- Crack sealing
- Pressure washing
- Grinding or removal of existing pavement markings
- Parking lot redesign or reconfiguration
- Permits, engineering, or surveying services
- Installation or replacement of signs, bollards, wheel stops, or other accessories
- Unforeseen site conditions requiring additional labor or materials

Additional services can be provided upon request and quoted separately.

This proposal is confidential and intended solely for the recipient. Unauthorized distribution is prohibited.

7. SCHEDULING

Upon approval of this proposal, A.S. Builders will coordinate scheduling with the client or property management team. Work may be completed in phases, if necessary, to maintain property access and minimize interruption to normal operations.

8. PROPOSAL TERMS

- Pricing is valid for **30 days** from the proposal date unless otherwise stated.
- Any changes to the approved scope of work must be authorized prior to performance of additional work.
- A.S. Builders is not responsible for damage to freshly applied striping caused by vehicles, pedestrians, irrigation, weather, or other activity before the paint has adequately cured.
- Final invoicing will reflect the approved scope of work and any authorized additions.
- **Payment Terms:** Net 30 from invoice date
- **Warranty:** 12-month workmanship warranty on striping adhesion and visibility

9. ACCEPTANCE

A.S. Builders appreciates the opportunity to provide this proposal and looks forward to working with you on this project.
